

**AN UPDATE FROM ANDREW**

Tonight, we will have the chance to see our young people’s hard work in action! We will watch both our puppet teams perform, and then our young men will lead us in a devotional. You will also be able to see the artwork from those who participated in the “Art Says It” competition, and **Jon Lawson** will give us an update on all the participants and their respective areas. Since this will take place in the Fellowship Hall, it won’t be livestreamed, but we will be recording it so that it can be viewed later. This will be a great time, as our ITC group will join us as well!

It seems strange that it is already the time of year to be discussing graduation, but our Senior Sunday is coming up soon. On April 28, we will have an Open Door Sunday where we honor our graduating seniors. We will worship together, and then have a combined adult Bible class in the auditorium. After class, we will eat together in the Fellowship Hall. We will have an afternoon devotional and then a special time of honoring our graduating seniors. If you remember, we tried this format for our Senior Sunday last year, and it was a great time for our church family. We are blessed with some outstanding young people at Graymere, and we certainly want to encourage them in this important life transition. Be on the lookout for their senior tables and displays in a few weeks!

Last week, we welcomed back our mission team from Peru. On Sunday morning, May 5, they will lead us in worship and share the news from their mission efforts there. Christians there are still following up with contacts made during the campaign for future Bible studies. Let’s continue to pray for the church in Lima. Jonathan also announced on Sunday there will be a summer mission trip to the Salt River Church of Christ in Mesa, Arizona. We will be assisting them with their Vacation Bible School, conducting teen and adult classes in the evening, preparing and serving dinner, and conducting Bible studies during the day.

On Sunday night, we began a sermon series in the book of Proverbs. As I mentioned, there are 31 chapters in the book, which means you can read one chapter a day and read the entire thing in a month. Of course, depending on the month, you might have to read two chapters in one day to fit it in, but that could be a helpful exercise as we explore the wisdom in these passages. Let’s keep learning and growing together!

# G Missions Minute

We are thankful for John Vaughan's recent visit to India, and are especially thankful he witnessed the long-awaited completion of the church building in Nellore. This has been a long-term need and dream for this church, and will bless their efforts to share the Gospel to their community.
