

## An Update from Andrew...

Not only did we have the opportunity to worship together on Sunday, we also had the opportunity to pray together for a sister in Christ. **Sandra Lindsey** came forward requesting prayer, as she is grieving the loss of Phil. She took wonderful care of him during his illness, and now we have the opportunity to encourage her during this time.

On Sunday afternoon, our family drove to Searcy, Arkansas for the Harding Lectureship. I am grateful to **Jon Winchester** for preaching on Sunday night. Not only was it a blessing to attend the lectureship, we also got to drop in on several of our Graymere students who attend Harding. We also ran into several people there from all over the region with Graymere connections – it is encouraging to think about the ways God has used this congregation over the years.

One of the ways God has used this congregation is through our yearly Give Away Day. Our theme for October is "Service in Him," which is fitting for our Give Away Day preparations. If you have never been part of this event before, it is a chance for every member of our church family to work together and make an impact on our community. Each Tuesday night, a group meets at 6:00 to help sort and pack items in the Give Away Day building. Because the structure of Give Away Day leads people through separate rooms with different kinds of items, this sorting is very important. These sessions don't take too long, and they help a great deal. We also need to be getting ready for our "Sack the Pulpit" Day, where we fill bags of groceries that will be handed out on Give Away Day. Our goal is to see how many we can fit at the front of the auditorium. We have filled the stairs over the last few years, but I think we can turn in even more this year!

We are blessed with talented members, and we have several men who are excellent teachers and speakers. Beginning this month, we will have men in our congregation offer the invitation on Wednesday evenings. Tonight, **Tyler Crews** will be proving the devotional thought for us. We are still in the process of forming our rotation, so any men who are interested in doing that, please let me know. This will be an opportunity for growth for our men and encouragement for our entire church family. Let's keep learning and growing together!
