

An Update from Andrew...

With Spring Break over and our mission team back from Phoenix, it was nice to be able to worship with everyone together on Sunday morning. Last week, the team in Phoenix knocked on every door in the reservation, assisted with some community projects, visited members in need of encouragement, led an evening seminar complete with Bible classes for the children, and renovated a new wing of the building. The congregation there has acquired the property adjacent to them in the shopping center where they are located, and our team knocked down the wall and cleaned up an area that will allow them more room for their growing numbers on Sunday. We look forward to hearing more about all they have done. Our youth group was able to enjoy the area-wide teen worship at Northview that night.

Also on Sunday night, the Bible Bowl participants proved how much they had been studying by defeating the ministers in our "scrimmage game" after the evening worship service. **Chris** and **Denise Tullis** have put in a tremendous amount of work in coordinating our Lads to Leaders program, and they have taught our Bible Bowl students for several months now. I hope you plan to stay after our evening worship next Sunday night to see our puppet teams present what they have prepared. I also hope you will consider making the drive up to the Opryland Hotel to support our young people during Lads to Leaders on April 19 or 20. If you have any questions about what time to arrive or where to go, Chris or Denise can answer them. It is always encouraging to see how much fun our youth have as they grow in knowledge and experience.

This week, work is still being done on the pews in our auditorium. Recovering all of the pews is definitely a time-consuming task, and it is fun to see the progress being made. Remember that the pews will be removed to make way for the carpet on April 22nd. We will worship in the auditorium on April 21st, and work will begin on that Monday. For the next two to two and a half weeks, all our worship services will be in the fellowship hall. This also means that our Fellowship Hall classes will have combined classes during that time. Let's keep learning and growing together!
