An Update from Andrew...

After months of hard work by many people, we were able to worship together in our newly renovated auditorium on Sunday! We had 609 in attendance, and we were blessed to pray with **Billy Mynes** as a church family. Thanks to everyone for adjusting to a slightly altered seating arrangement and for being flexible over these last few weeks. Let's continue to use our physical facilities to God's glory.

In the next few days, we have a great opportunity to participate in events that honor all age groups here at Graymere. On Thursday night, our Tuesday/Thursday school graduation and program will take place, and I hope you can make it to support that special day. **Amanda Santiago** does a wonderful job leading our outstanding group of teachers in this school, and we want to support them. It is also a good opportunity to meet and get to know the parents who trust our school with caring for their children. Even if you don't have a child or grandchild participating, I would encourage you to be there.

On Sunday afternoon, from 1:00-2:30, we will have another opportunity to others, with a tea in the Fellowship Hall designed specifically to honor our shut-ins. There has been a lot of preparatory work done to get ready for this day, and it will be an important time to connect with members who are often unable to be with us in person. I hope you will plan to be part of this special event.

On May 29th, we will start up two important camps that are a vital part of our ministry at Graymere: Spiritual Growth Camp for our young ladies and Future Minister Camp for young men. During our Future Ministers Camp, the young men will be preparing sermons from the Psalms, and one of our teachers, **Barry Thronberry**, will teach a combined adult class in the auditorium on Wednesday night from one of the psalms. On Sunday morning, our worship will be led by our FMC campers, and several of them will be speaking in our Bible classes that morning. We will have proud parents with us on that Sunday, and I am thankful that they will be able to hear the messages these campers have worked so hard to prepare. We will also have a brief graduation ceremony that afternoon to honor them, and I hope many of us will be able to be part of that.

As you can see, we have a lot on our plate over the next few weeks. I hope we all find a place to plug in and get involved. Let's keep learning and growing together!
