

**AN UPDATE FROM ANDREW**

Even though we lost an hour of sleep, we were blessed to be able to worship together on Sunday and enjoy that extra hour of daylight on Sunday evening. As we continue our series in Colossians, we have come to the halfway point of the book. If you would like to prepare for next Sunday morning, be sure to read Colossians 3:1-11. On Sunday evening, many of our teens were able to be part of the area-wide at West 7<sup>th</sup> Church of Christ. Many of our younger children are preparing for Lads to Leaders, and the convention is coming soon. Over the next couple of weeks, our young ladies will have opportunities to speak and lead worship in our Ladies Bible Class. On April 10<sup>th</sup>, we will have a Kingdom Focus Wednesday focused on letting our Lads to Leaders participants lead our worship. It will be followed by our Lads to Leaders puppet shows. Let's encourage our children as they prepare over the next few weeks!

Last Wednesday night, we were blessed to have **Mitch Henry** speak to us. He was one of the speakers for REVIVAL, the youth ministers retreat, and he stayed to teach our combined class in the Fellowship Hall. One of the lessons he shared was featured in a book that he has just published, and he left us several copies. It is a fund raiser for Agape, so you can just put the payment into the donation can in the Fellowship Hall. It was encouraging to hear about the good work being done on Faulkner's campus, the baptisms taking place, and the fact that young people are being reached with the gospel.

Another Graymere event that provided a great time of fellowship and growth was the Spring Men's Retreat. I am thankful for the hard work of **Darren Dykes, Jon Compton**, and others who made that opportunity available. Our Men's ministry has already planned some great things this year, from the Wednesday night Bible class to regularly scheduled men's breakfasts, to retreats. If you haven't been part of the men's ministry but you would like to get involved, the Wednesday night Bible class is a great place to start.

We have a lot of great information on our website and on our Facebook page, and one of those resources is a recording of the recent Technology Awareness seminar. We live in a world where people are constantly finding ways to use technology as part of scams or identity theft, and this video will help arm us against those challenges. It is available on our Facebook page.

As we get close to the end of the month, let's remember that there will be several guests with us on March 31, Easter Sunday. It might be a good opportunity for you to invite someone to join us for worship. Let's be sure we are on the lookout for guests and are doing everything we can to make them feel welcome. Let's keep learning and growing together!
